S&P Indices to remove Foster's Group Limited from the S&P/ASX 200

November 25, 2011 – S&P Indices today announced that it will remove Foster's Group Limited (ASX: FGL) from the S&P/ASX 200, subject to shareholder and final court approval of the proposed scheme of arrangement under which the company will be acquired by SABMiller plc.

Assuming that the scheme receives the required approvals, S&P Indices will remove Foster's Group Limited after the close of business on December 2, 2011. Foster's Group Limited will not be replaced in the S&P/ASX 200 as the index currently has 201 constituents as a result of the previously announced Telecom Corporation of New Zealand Limited (ASX: TEL) demerger of Chorus Limited (ASX: CNU).
